### Brisbane, Australia

Once considered the "country cousin" among Australian cities, Brisbane is today the nation's third-largest metropolis - and one of the most desirable places to live in the country. Lying on the banks of the meandering Brisbane River, this cosmopolitan city boasts elegant 19th-century sandstone buildings, a lively cultural scene and superb parklands. Brisbane is also your gateway to uniquely Australian adventures, be it the theme parks of the Gold Coast or Queensland's dazzling beaches.

The beaches south of Brisbane form Queensland's Gold Coast. Travel tip: Brisbane is pronounced "Bris-bin."

### Points of Interest
