### Kauai (Nawiliwili), Hawaii

The fourth largest island in the Hawaiian group, Kauai is known as the "Garden Island." The terrain ranges from the volcanic slopes of Mt. Waialeale and the desert-like beauty of Waimea Canyon to the Wailua River's lush Fern Grotto. Ironically this once isolated island was the site of the first meeting between Europeans and Hawaiians. On January 19, 1778, Captain James Cook anchored his ships off the mouth of the Waimea River, becoming the first in a long line of enthusiastic visitors.

Kauai was never conquered by the great warrior King Kamehameha.
