

Ports & Excursions

Manzanillo, Mexico

Manzanillo's history as a resort on the Mexican Riviera is brief. But the port's history is as old as the Spanish conquest of Mexico. Cortes first espied the harbour in 1522, when he chose the bay as the site for a shipyard. The city's maritime heritage continues to this day: Manzanillo is the largest commercial port on Mexico's Pacific Coast. What draws travellers, however, is the bay's scenic beauty: jungle-laden mountains rise above rocky coves and golden-sand beaches. The offshore waters offer superb diving - and some of the finest fishing in the world.

For decades, Manzanillo has been a secret destination for fishermen. The offshore waters teem with 70 species of game fish. One can fish for sailfish and dorado year-round.

Points of Interest

1 Manzanillo Beaches

Offering a splendid combination of warm, golden sand and undulating palm trees, Manzanillo's 40 miles of pristine beaches are said to be the most beautiful on the Mexican Riviera.

2 Las Hadas Golf Resort

A world-class resort on Manzanillo Bay boasts an 18-hole championship golf course, water sports, a 70-slip marina, and a quarter-mile of private beach all in a setting resembling the Arabian nights.

3 Zócalo

Activity in downtown Manzanillo centers on the main plaza or zócalo. Filled with flowering trees, a fountain and view of the bay, locals flock here to throw rice to the palomas (pigeons).

4 Cuyutlan Turtle Sanctuary

Dedicated to helping endangered species, the Tortugario Ecological Center has the largest turtle sanctuary in Mexico and is home to migratory birds, iguanas and crocodiles.

5 Colima and Comala

These two cities offer looks into Mexico's past: Colima, the capital of the state of Colima is home to 2,000-year-old ruins; Comala is a 500-year-old city living in the shadow of two volcanoes.
