

Ports & Excursions

Nassau, Bahamas

For a taste of Europe with Caribbean flavor, look no farther than Nassau. The main city on New Providence Island in the Bahamas, Nassau offers everything from British-influenced cricket games and bewigged judges to Riviera-style casinos. And its banking system, with its strict secrecy laws, rivals that of Switzerland. Situated less than 75 miles from the coast of Florida, the islands of the Bahamas lure visitors with their tropical landscapes and clear waters. More than 700 islands, covering some 100,000 square miles, make up this popular archipelago, although only 20 or so are inhabited. Most of the island nation's 330,000 inhabitants live on New Providence Island, centered around bustling Nassau with its colorful waterfront area and open-air markets.

Points of Interest

1 Atlantis Resort

Envision an Atlantis-inspired resort rising from the sea in a swirl of fanciful architecture with everything from an art-filled casino to a nightclub, spa, dolphin habitat and Mayan Temple Waterslide.

2 Paradise Island

This is the place to see and be seen, from the famed Vegas-style Atlantis resort to the Hog Island Lighthouse, a 14th-century French monastery and one casino, golf link or tennis court after another.

3 Fort Charlotte

See the moat, draw-bridge, and dungeons and walk the ramparts overlooking beautiful Nassau Harbor. This impressive structure, built in 1789, bears the name of King George III's beloved queen.

4 Ardastra Gardens & Zoo

Iguanas, monkeys, and jaguars - oh my! Encounter as many as 300 species, hand-feed endangered parrots and applaud the legendary marching flamingos while supporting Ardastra Garden's conservation program.

5 Queen's Staircase/Fort Fincastle

These famous hand-carved limestone steps are the handiwork of 18th-century slaves. The 102-foot, 65-step staircase provides a challenging shortcut to the bulwarks of Fort Fincastle atop Bennet's Hill.

6 Seaworld Explorer

Explore underwater without getting wet! You'll be mesmerized by the ever-changing scenery of the coral reef as your semi-submarine plies pristine waters brimming with a rainbow of tropical fishes

7 Snorkeling

Take the plunge at a shallow reef like Nari Nari or Goulding Cay where the conditions are ideal for an afternoon of spectacular snorkeling. Look for fan coral, shipwrecks, angelfish, and stingrays.

8 Beaches

The Bahamas are famous for their aquamarine waters, sugary beaches and dazzling seaside resorts. Enjoy a private beach day on Balmoral Island which offers activities like dolphin or stingray encounters.

Special Child Pricing Available!
