

REYKJAVIK, ICELAND

Reykjavik: Panoramic Reykjavik & Transfer to Airport

ACTIVITY LEVEL: EASY

This classic city tour takes in all the **highlights of Reykjavík**. Your journey will begin with a drive through **Laugardalur** (“Warm Water Valley”) where you will pass one of the most popular outdoor geothermal swimming pools. From there the road will lead you to **Álftanes Peninsula** where the President’s residence, is located. Returning to the city you will drive past the **open-air museum** at Árbær, then cross the **Ellidaá River**, one of the world’s cleanest salmon rivers. Eventually you will reach **Perlan**, The Pearl with its viewing deck that offers great panoramic views over Reykjavik. You will head towards **Hallgrímskirkja**, the church that dominates the city skyline with its imposing tower, then drive through the charming old quarter of Reykjavik with its colorful wooden houses and narrow streets, past the University of Iceland complex and along the city pond, **Tjörninn**. Eventually you’ll reach the old harbor where you’ll make a quick stop. Finally you will follow the coastline and make one short stop at **Höfði House** where the summit meeting between President Ronald Reagan and Secretary General Mikhail Gorbachev was held in 1986.

Please note: The order of the itinerary might be reversed if necessary.

Reykjavik: Relaxing in the Blue Lagoon & Transfer to Hotel

ACTIVITY LEVEL: EASY

Seize the opportunity to indulge in the healing, tranquil water of the **Blue Lagoon**. The Lagoon has been named one of the world’s top 25 wonders by *National Geographic* and has become the most popular attraction in Iceland in recent years. You will take a pleasant drive through Reykjavík’s suburbs with glimpses of some of the city’s landmarks. You’ll see the **Pearl**, a dome-shaped glass building situated on a hill overlooking the city, and the internationally awarded concert and conference center **Harpa**. Once out of Reykjavik you will continue through the rugged lava fields of the **Reykjanes Peninsula**. The Blue Lagoon is located in the middle of a beautiful lava field, seemingly in the middle of nowhere in an otherworldly landscape. Here you will have two hours to indulge in the healing water of the Lagoon. The facilities at the Blue Lagoon are excellent. They offer a tax-free shop with a range of mineral-rich Blue Lagoon skin products, café, restaurant and very good changing-room facilities. The Blue Lagoon spa is completely powered by clean geothermal energy and is environmentally certified.

Please note: This tour is not wheelchair accessible.
