

GUSTAVIA, ST. BARTHÉLEMY

St. Barts: Independent Explorer

ACTIVITY LEVEL: MODERATE

Here is a chance for the adventuresome to get away from the crowds, get behind the wheel, and enjoy the lush countryside on a **self-guided tour**. You will be escorted from the pier to the nearby starting point and after brief formalities you will be given the keys to your rental car. **Armed with a map of the island, some suggested itineraries**, and some details about historical facts and points of interest, you're ready to explore this beautiful island at your own pace. The cost is for the car; one to four people can explore at just one rate.

Please note: Participants must be able to drive a stick shift in bumpy and hilly conditions. Bring your swimsuit, a credit card, and a current driver's license. The tour price is per car and includes CDW insurance, a \$750 deductible which will be fully or partially charged to the driver's credit card in the event the car is returned damaged. Fuel costs are included. Pricing is per car, and can hold up to 4 guests. Only one person in the party needs to purchase the tour.

St. Barts: Sailing Catamaran Adventure

ACTIVITY LEVEL: EASY

Caribbean music and the friendly crew of a well-appointed, **full-sail catamaran** will welcome you aboard. This boat is specially designed to offer shade and refreshing breezes as you sail

along the **beautiful west coast** of the island to the Marine Park at **Colombier Bay**. You will anchor about 80 feet offshore, close to coral reefs teeming with schools of colorful fish. A professional instructor will give you a full orientation and explain the use of the snorkel equipment. You will have time to **swim and snorkel**, or simply bask in the sun. On the return to Gustavia, soft drinks, beer, or refreshing rum punch or fruit punch will be offered.

Please note: This exclusive experience is limited to 20 guests and sells out quickly. No previous sailing experience necessary. The catamaran will offer refreshments throughout the trip. Restrooms are located on board the catamaran. Bring sunscreen, hat, swimsuit, and underwater camera. Snorkeling gear is available on the boat.

St. Barts: Yellow Semi-Sub Exploration

ACTIVITY LEVEL: EASY

All aboard a **semi-submersible** to discover the rich undersea life surrounding St. Barts, without even getting wet! After boarding, you may choose to either stay outside on the open deck or enter the tunnel-like hull equipped with underwater windows. At the harbor's entrance, keep watch for the many **green turtles** that frequent this area. Soon, the semi-sub passes over the wreck of the island freighter **Marignan**. **Cross** the southeastern edge of the **St. Barts Marine Park** and arrays of undersea marvels will soon be revealed before your eyes. The seabed is full of **colorful coral reefs**, and schools of Sergeant Major Fish. On your arrival at **The Saints**, the onboard crew will feed schools of fish. Don't be surprised if seemingly hundreds of fish almost push against your window. You may even glimpse a shark or two! After approximately 10 minutes, your semi-sub heads back to the pier. You may wish to stay out on the upper deck for picturesque views of the coastline and graceful anchored yachts.

Please note: The semi-submersible has steep interior steps. The itinerary may be amended at the Captain's discretion based on weather conditions, general safety, or any other factor. There can be no guaranteed sightings of any specific sea life.
