

ST. GEORGE'S, GRENADA

St. George: Around the Isle of Spice

ACTIVITY LEVEL: EASY

Discover the scents and aromas of the "Isle of Spice" on this **full day sightseeing tour** by motor coach. Your driver will follow the picturesque west coast, rich in history and color to **Dougaldston Estate** where you will receive an introduction to the famous spices that make this island one of the top spice suppliers in the world. At the **nutmeg factory** in Gouyave you will be shown the seasoning, processing, and sorting of nutmegs and mace. Nutmeg products vary from syrup to massage oil, garden mulch to nail varnish; even a pain-relieving spray. Continue northward to a magnificent view of Grenada's Grenadine Islands. Your next stop will be the **River Antoine Rum Distillery**: the place is as antique (1785) as the rum is strong (75% alcohol - ouch!) It may be hard to believe that the place is a working distillery, not an old museum. You will have **time for some sampling** before a **delicious Creole lunch** is served at Belmont Estate, a plantation house dating back to the 1940s. Leaving the restaurant, you will return to the pier through the rainforest over the mountains with a stop at Grand Etang, home of the **mona monkey**, and **Annandale Falls** where you can take a short walk in the stunning gardens.

Please note: The tour order may vary and taking photographs or videos inside the nutmeg factory is not allowed.

St. George: Golden Nutmeg & Diamond Chocolate Tour

ACTIVITY LEVEL: EASY

This aromatic tour will allow you to learn about Grenada Nutmeg and organic chocolate production. You will head toward the island's west coast and visit the **Gouyave Nutmeg Processing Station** to discover how nutmegs are harvested, processed, and exported. Well protected behind high walls, you will travel one century back in time. No conveyor belts, no machines. The long processing chain of this precious spice starts off in the hands and nimble fingers of the experienced, diligent and incredible "Mammas." After, you will visit the **Diamond Chocolate Plant** to see and learn how chocolate (tree to bar) is produced and exported. The quality of the beans, the distinct taste and the country's rich history of cocoa production have inspired L. A. Burdick Chocolate to partner with Grenada's knowledgeable independent cocoa farmers in building a cocoa processing facility. After harvesting the beans, all fermentation, sorting, drying, roasting and conching is done on the premises of the factory. A visit to the cocoa tree garden and a rare and delicious **chocolate tasting and sampling** will conclude this enjoyable tour of one of the most amazing sites in the Caribbean.

Please note: This tour is appropriate for guests who are able to walk about 100 yards and must be able to walk on and off the motor coach unattended.
