### Virgin Gorda: Escape To Anegada - Power Boat Adventure

ACTIVITY LEVEL: MODERATE

Leave the confines of the North Sound when you board a **Ribeye speed boat** for a fun and exhilarating roller coaster ride to the **reefs of Anegada**. The tour will begin with a meandering exploration of the private islands that surround the North Sound then up to exclusive **Oil Nut Bay**. Once clear of **Eustatia Reef**, the captain will open up the engine for your first taste of the comfortable speed these boats afford. A short 35 minutes of splashtacular adventure will see you in tranquil waters at **White Bay**. After a swim and exploration of the conch shells you will re-board the RIB and tour the southern flats of Anegada. The water here is only 4 feet deep! So you can clearly see the bottom and the sundry of sea life beneath the surface. Continue on to **Setting Point**, a small community accustomed to the slow pace of island life. The old-world wooden dock will lead you to the **Anegada Reef Hotel** where you can choose to buy a drink or peruse the gift shop, in either case, this is a barefoot experience. Your next stop will be **Pomato Point** where you will step ashore for some light refreshment. If you wish to have a moment of serene solitude, capture the opportunity to walk the long and serene white-sand beach. You will have one more thrilling ride to Vixen Point on Prickly Pear Island for a spectacular barbecue lunch.

Please note: Wear sunscreen, a long sleeve shirt, or a rash guard, a hat with a chin strap or leash, and sunglasses. This tour will be cancelled if the wind is sustained at and above 18 knots.

### Virgin Gorda: Highlights & Bath Tour

ACTIVITY LEVEL: MODERATE

See a little of all that Virgin Gorda has to show you. Your route from Spanish Town (or North Sound) will take you to **Virgin Peak**, the highest point of Virgin Gorda to experience a fantastic view of this beautiful island. Then on to the **Copper Mine**, a standing ruin on the rugged windward side. The area was originally mined by Spaniards in the 18th century, and later by Cornish miners who built the structure still standing today. Your final stop will be the famed **Virgin Gorda Baths**. Here you will take the path down to one of the most stunning places the British Virgin Islands has to offer with huge granite boulders, surrounding beautiful white-sand beaches washed by turquoise waters. A charming bar sits at the edge of this beach where you can find restrooms and a few locals selling souvenirs. You can follow the **adventurous trail** between the boulders that lead to an equally beautiful beach called **Devil's Bay**. Spend

some time on this quiet beach and then take a walk back to The Top of The Baths, where you can enjoy a complimentary refreshing drink before the final part of your exploration. You will drive along Millionaire Row to come full circle back via Nail Bay, passing homes of the rich and famous.

Please note: Wear your swimsuit under your clothes, bring reef-friendly sun screen, towel, camera, reef shoes or bare feet to explore the Baths. This tour is not recommended for those with mobility issues.

Virgin Gorda: Snorkel Adventure

ACTIVITY LEVEL: MODERATE

The mysterious submarine world is revealed to you on this action packed adventure to two of Virgin Gorda's most **highly regarded snorkel sites**. A 2-deck motor catamaran will transfer you from the ship down to the most famous landmark in the BVI, the spectacular and unusual **Baths**. Snorkel ashore at **Devil's Bay** and tour the boulders on foot. The tour will include a detailed description of how the Baths were formed. The walking tour ends at the Baths beach where you will enter the sea for a guided snorkel tour of the Baths topography and sea life which ends back at the boat. Cruise to **Mountain Point** where you will snorkel over fascinating rock formations with **swim-throughs and colorful coral encrusted arches**. Accompanied by your experienced snorkel instructors, you can confidently enjoy these opportunities to observe the flora and fauna of these celebrated waters. Climb aboard the boat again to relocate back to Prickly Pear Island to join the party on the beach. Your return will take you past one of Sir Richard Branson's **Mosquito Islands**, and you can sit back and relax with a complimentary rum punch should you need to be loosened up any more. Yeah mon!

Please note: Wear your swimsuit under your clothes, bring reef friendly sun screen, towel, waterproof camera (if you want to record the boulders ashore), reef shoes or bare feet to explore the Baths. Participants must sign a waiver before departing the dock. Snorkeling destinations may vary according to sea and weather conditions. Minimum age is 5 years.
