San Juan: El Yunque Rainforest Drive & Transfer

ACTIVITY LEVEL: MODERATE

Don't miss this great opportunity to visit **El Yunque National Rainforest**, the only tropical rainforest in the U.S. National Forest System. An approximate 45-minute drive will bring you to this tropical woodland with its unique flora. As you travel over the hills, you will enjoy several stops that will allow you to **experience close at hand** the sounds, scents and views of this captivating ecosystem. Experience nature and its true beauty!

Please note: Airport transfer is included. This is not a hiking tour and therefore is suitable for all ages. Bring a light raincoat and/or towel. Traffic could get congested. Alternate routes are used when possible. Stops are unguided allowing guests to browse on their own. The air-conditioning on bus may be temporarily discontinued when bus travels up the mountain. Order of stops may vary depending on traffic and local conditions.
