

LIVE YOUR **WONDER.**

MARCH 2024 - APRIL 2025

Costa, live your wonder.

If every journey is a promise of discovery, then now is the time to go.

An invitation to experience the beauty of the world. It's the key to unlock a sea of emotions.

When was the last time you experienced an emotion so strong and yet so difficult to explain? Call it "wonder", but it's much more than that.

It is something you carry within you, that you'd like to describe, even if you struggle to find the words. It's this idea of travel that inspires us, and it always starts with the sea.

From the evocative landscapes of the Eastern and Western Mediterranean to the tropical rhythms of the Caribbean and the exotic flavours of the Arab Emirates. From the enchanted nature of Northern Europe to long-distance cruises and around-the-world tours: we'll take you to unique and unexpected places.

Aboard the ship, you'll also be immersed in the heart of the destinations as you sample dishes inspired by typical recipes and local cultures every evening.

Our shows, dance evenings and musicals will leave you speechless, and if you want to regenerate your body and mind, the wellness areas will be your oasis of peace.

Our itineraries have been enriched with new "destinations" that will give you unforgettable experiences that will leave you spellbound.

They're called "Sea Destinations", and it's a marvel we want you to discover: made up of unexpected wonders and unforgettable experiences.

And that's only the beginning...

Change your **point of view.**

Are you ready to discover and experience travel in a whole new way?

From now on, all our itineraries are made even more wonderful, offering unique, immersive and exclusive experiences. Our unrivalled Land Destinations have been joined by new Sea Destinations: **maritime destinations in iconic locations seen from a privileged vantage point, to experience unique moments** while sailing between sky and sea. Take part in the **“Jungle Party”** in the **Bay of Ibiza**, where the lights of the nightlife reach the ship, **transforming it into a veritable jungle**. Immerse yourself in the deepest darkness of the Mediterranean and let an expert guide you to discover the secrets of the universe. You'll travel with your gaze fixed on the planets and constellations, **“A Sea of Stars”** like nowhere else. And then a **light show** that **reveals the secrets of the most fascinating sea creatures: whales, dolphins and humpback whales. An innovative show from a unique vantage point: the ship at sea.** Get ready to experience unique moments of emotion and wonder.

Experience every **destination.**

As we explore further, we discover that each destination has so many stories to tell.

There's something real and authentic about every place, something we don't always have the opportunity to experience to the full. **We'll take you there: to the source that will remain etched in your memory**, to the experience that changes you and that you can't wait to tell your loved ones about when you get home. **This is how you will discover every destination: by immersing yourself in places, traditions and flavours.**

From the **Mediterranean**, the cradle of many diverse civilisations united by hospitality, warmth and ancient traditions, to the charm of **Northern Europe**, which alternates between legendary cities and wilderness, from the crystal-clear waters of the **Caribbean** to the exotic destinations of the **Emirates**, travel becomes a powerful experience.

Discover our destinations and, most importantly, don't hesitate to embark on the trip we've all dreamed of at one time or another: an **around-the-world** trip.

Explore like a “local”.

An unexpected flavour, an unusual landscape, an unfamiliar route.
The best way to experience a destination in its true form is to discover it
with those who have lived there all their lives.

When travelling, have you ever received an unexpected tip from a local, a suggestion about a place to visit or a speciality to try? Our vision is to enable you to explore each destination with local people or communities, **who will accompany you to unusual places and bring you closer to their culture, introducing you to their cuisine, art and traditions.** With our excursions, you'll enjoy immersive off-the-beaten-track experiences and **capture the authentic rhythm of each destination you explore.**

You will arrive as a tourist and leave like a local.

Dive into **the flavours.**

Each destination is a world of flavours. Discover these flavours with the “Destination Dish”, a dish created by one of our three world-renowned chefs, interpreting the destination you are visiting.

Take 3 world-renowned chefs and the local culinary traditions of the destinations you discover. Add to this, the creativity of haute cuisine and you get “**Destination Dishes**”.

Bruno Barbieri, Hélène Darroze and **Ángel León** celebrate the flavours of each destination explored, or unveil the one you’ll discover the next day, with gourmet dishes created using top-quality, seasonal ingredients.

Family travel.

If you're looking for another reason to plan a family holiday, here it is: with us children and teenagers under 18 travel for free.

You know those family holidays you remember for years to come? We will bring them to life for you. You'll find a range of leisure activities to suit the age of your child: from water games to multi-sports tournaments, from **slides** to a **basketball court** for games with new friends. You can enjoy some well-deserved time to relax while your children have fun with our entertainers: games, shows and photos with the **Squok** mascot. Having fun and spending time together is one of the main reasons for travelling with us, and children under 18, in a cabin with two adults, pay only for port taxes, service charges, any insurance, flights and transfers. Thanks to our partnership in social responsibility with **Kinder**, we've also thought of the little ones, who we'll be entertaining with movement games based on the **Joy of Moving** educational method. As for the teenagers, they'll make new friends and have fun with new group activities.

5 levels with exclusive experiences

The more you travel, the more benefits you enjoy. The rules are **straightforward and clear**, so you can earn **lots of points** and quickly move up to the next level. **Points** vary according to the chosen **cabin category**. You can also earn **extra points** depending on the **fare-type** you choose for your cruise, for **Costa flights**, and for **every euro you spend** on board or on MyCosta, you'll receive **2 C|Club points**.
